## Environment Policy

Sharp India Limited adopts following policy known as “ 3S,1R “ for continual improvement to protect & reduce adverse impact on environment.

### **SGP: Super Green Products –**

Develop products which minimize use of resources & energy and are safe for use.

### **SGF: Super Green Factory –**

Adopt manufacturing & supporting process such that impact on air, water & soil is minimum

### **SGM: Super Green Management –**

Create awareness about environmental issues among all employees & third parties related to the Organization

### **RE: Recycle –**

Reduce the material as much as feasible, finally dispose the waste material safely

Targets will be setup in each of above area and performance will be monitored. We will give consideration to expectations of interested parties and we are committed to comply with legal, regulatory & other requirements.

# QUALITY POLICY

*We aim to achieve customer satisfaction by integrating our business processes and making efforts for continual improvement in all activities.*

*We are dedicated to the use of our innovative technology to contribute to the benefit of people and to earn profit from business.*

*Towards this philosophy & purpose of our business, we adopt the policy of total commitment to the quality & reliability of our products & services.*
