लसूण चोरल्याच्या संशयावरून खून

मुंबई ःबोरिवली येथील बाजारपेठेत लसूण चोरल्याच्या संशयावरून झालेल्या अमानुष मारहाणीत एकाचा मृत्यू झाला आहे. पंकज मंडल असे मृत्यू झालेल्या व्यक्तीचे नाव आहे.

घनश्याम खाक्रोडिया याने बुधवारी मंडलला लसूण चोरल्याच्या संशयावरून मारहाण केली. पंकज जखमी होऊन खाली कोसळला असता एका व्यक्तीने मध्यस्थी करून घनश्यामला थांबवले आणि पंकजला एमटीएनएल प्रवेशद्वाराजवळ नेले. तेथे पंकज काही काळ झोपला. त्याला गुरुवारी सकाळी काही जणांनी त्याला उठवण्याचा प्रयत्न केला असता तो उठला नाही.

पंकजला शताब्दी रुग्णालयात नेले. तेथील डॉक्टरांनी त्याला मृत घोषित केले.

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of Rs. 416.45 Lakhs for the quarter ended June 30, 2023 and accumulated losses aggregated to Rs. 13,360.39 Lakhs as of June 30, 2023. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company. Significant time has been elapsed after cessation of the production activity and as such there appears to be material uncertainties whether the company would be able to continue as a going concern. In the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

PM flags off Viksit Bharat Sankalp Yatra in 5 states

PRESS TRUST OF INDIA
New Delhi, December 16

PRIME MINISTER NARENDRA Modi said on Saturday that his guarantee begins from where hope from everyone else ends and asserted that development of smaller cities is at the centre of his resolve to make India a developed country.

Addressing the beneficiaries of the Viksit Bharat Sankalp Yatra through video conferencing, the PM said, "With resolve of a developed India, Modi's guarantee vehicle" is reaching every corner of country." In one month, the Viksit Bharat Sankalp Yatra has reached thousands of villages and cities and most of them are small towns, he added. Modi said his government is trying to ease troubles of everyone like a family member.

"This is our government that has helped the poor, farmers, small businessmen and various other sections of society. Modi's guarantee begins after hope from everyone else ends," the prime minister said. He said that

Union minister Pralhad Joshi takes a selfie during the Viksit Bharat Sankalp Yatra

for a long time after independence, benefits of development were limited to a few big cities, but his government is focussing on development of smaller cities and that would strengthen the foundation for a developed India. He also urged everyone to avail the benefits of various government schemes.

"Even though Modi has flagged off the Vikas Bharat Sankalp Yatra, the truth is that today the countrymen have taken command of that yatra. At a place where the journey halts, people from other villages

or cities start leading the journey," he said.

Modi also flagged off the Viksit Bharat Sankalp Yatra in Rajasthan, Madhya Pradesh, Chhattisgarh, Telangana and Mizoram, the five states where assembly elections were held recently. The yatra was launched for other states earlier, but the launch for the five states got delayed due to the model code of conduct in place due to the elections. He also interacted with beneficiaries from various states who have availed various government schemes.

Q3 advance tax receipts up 19%

Personal income tax, including securities transaction tax, remained robust with an annual growth of 28% at ₹6.75 trillion till December 15, 2023. Direct tax refunds declined by a marginal 1% on year to ₹2.25 trillion from ₹2.28 trillion in the year-ago period. So far in the current fiscal, TDS and TCS receipts stood at ₹7.61 trillion, securities transaction tax at ₹21,628 crore and equalisation levy of ₹2,596 crore.

Celebrity homes big draw for buyers

While Raheja bought the bungalow in May last year, construction started in May. The project will feature limited-edition residences flanked by views of the Juhu aerodrome on one side and Arabian Sea on the other.

"Several properties owned by celebrities located in prime areas such as Bandra, Juhu and Khar have been sold to developers who then redevelop them into high-rise premium residences," said Anuj Puri, chairman, Anarock Group.

"Usually, celebs sell their properties at a premium price and also take a share in the new building," Puri added. The redeveloped high-rises sell at premium prices, ranging from ₹70,000 to ₹80,000 per sq ft. Given that these

Locals at the wheel of global carmakers

MANORANJAN DHAL FROM IIM Kozhikode said it is advisable that a CXO must be from the host country. "Many foreign companies invest in India because of low-cost manpower availability. But managing employees, winning their commitment and ensuring productivity can be better facilitated by a CXO who knows the country's culture, connects to their roots and knows what motivates them," he said. According to an industry veteran, in the case of small or midsize auto companies that sell a few thousand cars per month, a dealer is instrumental in driving sales and productivity, and so carmakers need a CXO who can connect well with a dealer, and push him to drive sales. But mass-market carmakers such as Maruti Suzuki and Hyundai - which together sell over 2 million cars per year - need multiple levels of top leadership. "These big carmakers need to focus on cost and operations efficiency, so that the end-product is perceived as value for money by the customer. Japanese and Koreans want to keep costs under check, and

for that they need to 'control' operations strongly, including the global supply chain and communications with the headquarters," an industry executive said. "The top leadership does all that, and is from the source country - Hisashi Takeuchi, a Japanese, as the MD & CEO of Maruti Suzuki, and Unsoo Kim, a Korean, as the MD & CEO of Hyundai India. But all local communications, including with dealers and suppliers, is handled by Indians - Shashank Srivastava of Maruti Suzuki and Tarun Garg of Hyundai India." Similar is the case with Toyota and Kia. Masakazu Yoshimura, a Japanese, is the MD and

CEO of Toyota Kirloskar Motor, while Vikram Gulati, an Indian, is the country head. At Kia India, Tae-jin Park, a Korean, is the MD and CEO, while Hardeep Brar, an Indian, handles most local operations.

Honda Cars India is led by a Japanese, as the MD & CEO, as president & CEO, but many Indian operations are handled by Kunal Behl, an Indian.

As far as Indian carmakers are concerned, Mahindra has always had an Indian at the top, while Tata Motors was briefly led by Guenter Karl Bultschek, a German, but now has Shailesh Chandra, an Indian, leading it.

bungalows have extra appeal with buyers (the thought of living in so-called celebrity homes/land), devel-

opers are able to sell them pretty quickly. Moreover, as new real estate development in these areas is scarce and any new complexes coming up are sold in no time.

Clients for such real estate, in areas like Bandra, Worli, Pali Hills and Khar, include top industrialists, CXOs or those in the entertainment industry. "Buying a celebrity residence allows buyers to feel a personal connection with their favourite star or be part of the cultural history associated with the property and owning a piece of that history. Such residences are good investment opportunities too," said Ritesh Mehta, senior director and head-west & north, residential services, India, JLL.

"Homes with a legacy are a statement and the prestige of owning such a home extends beyond the physical structure. Maestro's strategic location is complemented by connectivity with the forthcoming Bandra-Versova sea connection project," said Ramesh Ranganathan, CEO, K Raheja Corp Homes.

"Few such properties are individually owned. Most are passed on as inheritance and are therefore held between several members of a family, or are in a trust structure. This requires some amount of expertise to ensure clear and smooth title transfers and streamlining of the transaction. These locations command a premium, making developers keen to

secure such deals in order to enhance their portfolio with luxury and premium residential projects," added Ashwin Chadha, CEO, India Sotheby's International Realty.

The joint luxury housing report by CRE Matrix & India Sotheby's International Realty highlights that the sales of luxury homes worth ₹10 crore and more in Mumbai rose by almost 50% to ₹11,400 crore during January-June 2023, along with overall growth in the residential property market.

The study showcases an 83% y-o-y surge in primary sales activity. Sales increased on account of higher demand from industrialists, Bollywood celebrities, and high-salaried employees, the two real estate consultant companies said.

The momentum in luxury home sales continued even as interest rates on home loans increased.

Adani buys majority stake in IANS

AMNL was the vehicle for these acquisitions as well. In the filing, it said, "AMNL has also signed shareholders' agreement with IANS and Sandeep Bamzai, a shareholder of IANS, to record their inter-se rights with respect to IANS." IANS had a revenue of ₹11.86 crore in the fiscal year 2022-23 (April 2022 to March 2023). "All operational and management control of IANS will be with AMNL and AMNL will have the right to appoint all directors of IANS," the filing said, adding, "Pursuant to the acquisition as set out above, IANS is now a subsidiary of AMNL."

Qualified conclusion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results.
We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of Rs. 416.45 Lakhs for the quarter ended June 30, 2023 and accumulated losses aggregate to Rs. 13,360.39 Lakhs as of June 30, 2023. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company. Significant time has been elapsed after cessation of the production activity and as such there appears to be material uncertainties whether the company would be able to continue as a going concern. In the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.
