Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained. Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and

Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). The full format of the quarterly financial results are available on the Stock Exchange website -www.bseindia.com and website of the company - www.sharpindialimited.com For Sharp India Limited

Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results.

Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results.

Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the guarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692,06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results.

Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹478.67 Lakhs for the quarter and of ₹963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained. Note: The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and

Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). The full format of the quarterly financial results are available on the Stock Exchange website -www.bseindia.com and website of the company - www.sharpindialimited.com For Sharp India Limited

Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the guarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses

aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company. Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on

the financial results which have been prepared by the management under going concern assumption, cannot be ascertained. Note: The above is an extract of the detailed format of guarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). Qualified opinion for the Unaudited Financial Results expressed by Statutory Auditor on Financial Results. Basis for qualified conclusion:

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of ₹ 478.67 Lakhs for the quarter and of ₹ 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to ₹ 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.
