INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF SHARP INDIA LIMITED

Report on the audit of the financial statements

Opinion

1. We have audited the accompanying financial statements of Sharp India Limited ("the Company"), which comprise the balance sheet as at March 31, 2020, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

4. We draw your attention to Note 32 to the financial statements which states that the Company has accumulated losses as at March 31, 2020 and has also incurred losses during the current year. These events, along with the other matters set out in the aforesaid Note indicate that a material uncertainty related to going concern exists. However, the financial statements have been prepared using the going concern basis of accounting in view of the support letter received from Sharp Corporation, Japan, the holding company for financial and operational support until March 31, 2021.

Our opinion is not modified in respect of this matter.

Key audit matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report.

KEY AUDIT MATTER

Assessment of impairment to carrying amount of property, plant and equipment ('PPE')

Refer note 4 to the financial statements.

The net carrying value of property, plant and equipment as of March 31, 2020 is Rs. 582.60 lakhs.

The Company has accumulated losses aggregating to Rs. 8,048.45 lakhs, its net-worth has eroded and its total liabilities exceed its total assets as at March 31, 2020. Further, the Company has ceased its manufacturing activities since the last 5 years. The above factors indicate a potential impairment of the carrying values of the Property, Plant and Equipment.

The Management considered the entire plant as a cash generating unit ('CGU') and had involved an external valuation firm (management expert) for valuation of PPE. The recoverable value has been determined as the fair value less costs of disposal and is dependent on the valuation methodology adopted and the inputs into the valuation model. Factors such as prevailing market conditions, individual nature, conditions and location directly impact the fair value.

Based on the valuation exercise carried out by the Company, the management determined that the recoverable value is higher than the carrying value and therefore, no impairment charge is warranted.

We focused on this area as the inputs to the valuation model are dependent on Management judgement and the significance of the amount of PPE to the financial statements.

How our audit addressed the key audit matter

Our procedures in relation to the assessment for the impairment testing of PPE included the following:

- a) Assessed and tested the design and operating effectiveness of the Company's controls over the impairment assessment.
- b) Evaluated the Company's accounting policy in respect of impairment assessment of PPE.
- c) Evaluated whether the assessment of CGU was consistent with our knowledge of the Company's operations.

- d) Assessed the competency and capabilities of the external valuer engaged by the management.
- e) Read the valuer's terms of engagement and assessed the objectivity and scope of their work.
- f) We assessed the valuation methodology adopted by the valuer and the reasonableness and the source of the assumptions considered such as per unit rate of land.
- g) Evaluated the adequacy of disclosures made in the financial statements.

On the basis of the above procedures performed, we did not find any material exceptions to the management's assessment of impairment of property, plant and equipment.

Other Information

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report but does not include the financial statements and our auditor's report thereon. The Board's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the financial statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the

audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 14 and 30 to the financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.
 - (iv) The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2020.

16. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditors' Report

Referred to in paragraph 13(f) of the Independent Auditors' Report of even date to the members of Sharp India Limited on the financial statements for the year ended March 31, 2020

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Sharp India Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to Independent Auditors' Report

Referred to in paragraph 14 of the Independent Auditors' Report of even date to the members of Sharp India Limited on the financial statements as of and for the year ended March 31, 2020

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) The title deeds of immovable properties, as disclosed in Note 4 on fixed assets to the financial statements, are held in the name of the Company.
- ii. The physical verification of inventory have been conducted at reasonable intervals by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, goods and service tax and other material statutory dues, with the appropriate authorities though there has been a slight delay in a few cases. Also refer note 30 to the financial statements regarding management's assessment on certain matters relating to provident fund.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax and goods and service tax which have not been deposited on account of any dispute. The particulars of dues of sales tax as at March 31, 2020 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs.)	Period to which the amount relates	Forum where the dispute is pending
Central Sales Tax Act, 1956	CST Payable on completion of assessment	11,195,295	April 2013 to March 2014	Joint Commissioner of Sales tax (Appeals)

- viii. As the Company does not have any loans or borrowings from any financial institution or bank or Government, nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
- ix. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

- xi. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

(All amounts in INR lakhs, unless otherwise stated)**Note 1 : General Information**

Sharp India Limited ('the Company') was incorporated on July 5, 1985. The Company is principally engaged in the manufacture and sale of light emitting diode televisions ('LED TVs') and Air-conditioners ('ACs')

Sharp Corporation ('Sharp'), incorporated in Japan, holds 75 per cent of the issued share capital of the Company. The Company has a technical collaboration with Sharp for the manufacture of 'LED TVs' and 'ACs'. Refer Note 32 of the financial

Note 2 : Significant accounting policies**(a) Basis of preparation***(i) Compliance with Ind AS*

The financial statements comply in all material aspects with Indian Accounting Standards (IndAS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The Board of Directors have authorised these financial statements for issue on June 26, 2020.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Defined benefit plans - plan assets measured at fair value.

(iii) New and amended standards adopted by the Company

The Company has applied the following standards and amendments for the first time for their annual reporting period commencing 1 April, 2019:

- Ind AS 116, Leases
- Long-term Interests in Associates and Joint Ventures - Amendments to Ind-AS 28, Investments in Associates and Joint Ventures
- Uncertainty over Income Tax Treatments - Appendix C to Ind-AS 12, Income Taxes
- Plan Amendment, Curtailment or Settlement - Amendments to Ind-AS 19, Employee benefits
- Amendment to Ind-AS 103, Business Combinations and Ind-AS 111, Joint Arrangements
- Amendment to Ind AS 12, Income Taxes
- Amendment to Ind AS 23, Borrowings costs

The amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(iv) Current/non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

(b) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The board of directors of the Company are identified as the Chief operating decision maker. Refer note 28 for segment information presented.

(c) Foreign currency translation*(i) Functional and presentation currency*

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses as the case may be.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(d) Revenue recognition

The Company manufactures and sells a range of electronic items. Sales are recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract, the acceptance provisions have lapsed, or the company has objective evidence that all criteria for acceptance have been satisfied.

A receivable is recognised when the goods are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

(e) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(f) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

The management periodically assesses using external or internal source, whether there is an indication that an asset may be impaired.

(g) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(h) Inventories

Raw materials and stores, packing material, work in progress, traded and finished goods

Raw materials and components, stores and packing material, work in progress and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the basis of weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

(i) Financial assets*(i) Classification*

The Company classifies its financial assets at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at fair value. Subsequently these assets are measured at amortised cost.

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 26 details how the Company determines whether there has been a significant increase in credit risk.

(iv) Derecognition of financial assets

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(j) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(k) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives:

Particulars	Useful lives
Buildings	
- Factory	29.94
- Others	60
Plant and machinery	2-15
Furniture, fittings and equipment (including office equipments)	4-10
Computers	3-6
Vehicles	5

The management has estimated, supported by independent assessment by professionals, the useful lives of certain Plant and machinery, Factory buildings, Moulds, jigs and fixtures, Vehicles and Office equipments as per table above, which are lower than those indicated in Schedule II.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income or other expenses as the case maybe.

(l) Intangible assets*(i) Computer software*

Computer softwares are shown at historical cost and are subsequently carried at cost less accumulated amortization and impairment losses.

(ii) Amortisation methods and periods

The Company amortises computer software over a period of 6 years

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income/ expenses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(o) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

(p) Provisions

Provisions for legal claims are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are discounted only if the impact of discounting is considered material.

(q) Employee benefits**(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These are recognised on the basis of the actual obligations calculated and are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity and
- (b) defined contribution plans such as provident & pension fund, superannuation fund and employee deposit linked insurance scheme.

Gratuity obligations

The Company, on a prudent basis, accrues its gratuity obligations on the basis of actual liability using gross undiscounted basis. Accordingly, the changes in the gratuity obligations are recognized in profit or loss.

Defined contribution plans

The Company pays provident, pension, superannuation and employee deposit linked insurance scheme contributions to publicly administered provident & pension fund, contribution to superannuation fund and employee deposit linked insurance schemes as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(r) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(s) Earnings/(Loss) per share*(i) Basic earnings/(loss) per share*

Basic earnings per share is calculated by dividing:

- the profit/(loss) attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings/(loss) per share

Diluted earnings/(loss) per share adjusts the figures used in the determination of basic earnings/(loss) per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(t) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Note 3: Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

1. Legal Contingencies

The Company has received various orders and notices from tax authorities in respect of direct taxes and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operation or cash flows. Management regularly analyses current information about these matters and provides provisions for probable losses including the estimate of legal expense to resolve such matters. In making the decision regarding the need for loss provisions, management considers the degree of probability of an unfavorable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Company or disclosure of any such suit or assertion, does not automatically indicate that a provision of a loss may be appropriate.

2. Going concern

Refer Note 32

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1. *Fair valuation measurement of unquoted financial instruments*

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer note 25 for further disclosures.

Defined Contribution Plan

The Company has certain defined contribution plans i.e., contribution to provident and pension fund, contribution to superannuation fund and employee deposit linked insurance scheme. Contributions are made to provident fund for employees at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is as follows:

Particulars	31 March 2020	31 March 2019
Defined contribution plans		
-Provident fund	15.98	14.80
-Pension fund	19.03	18.52
-Superannuation fund	1.95	1.95
-Employees' deposit linked insurance scheme	1.14	1.11
Total	38.10	36.38

A Provision for compensated absences

Provision for compensated absences cover the Company's liability for earned leave which are classified as other long-term benefits. The entire amount of provision is presented as current since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all the employees to avail the full amount of accrued leave or require payment for such leave within the next 12 months.

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)****B Gratuity**

The Company has accrued gratuity on the basis of actual liability using gross undiscounted basis. The liability is net of the amounts contributed to an Insurer, along-with interest accrued thereon, specifically to fund these liabilities.

As at 31 March 2020, the net liability is Rs. 31.84 Lakhs (31 March 2019 Rs. 35.65 Lakhs) (net of plan assets amounting to Rs. 697.35 Lakhs (31 March 2019 Rs. 656.34 Lakhs).

25 Fair value measurements**Financial instruments measured at amortised cost by category**

	31 March 2020	31 March 2019
Financial assets		
Security deposits	9.03	10.43
Cash and cash equivalents	242.88	82.62
Other financial assets	3.54	0.66
Total financial assets	255.45	93.71
Financial liabilities		
Borrowings	4,089.42	2,756.56
Trade payables	68.16	79.55
Other financial liabilities	52.73	51.92
Total financial liabilities	4,210.31	2,888.03

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Assets and liabilities which are measured at amortised cost for which fair values are disclosed	Notes	Level 1	Level 2	Level 3	Total
At 31 March 2020					
Financial liabilities					
Borrowings	12	-	-	4,085.99	4,085.99
Total financial liabilities		-	-	4,085.99	4,085.99

Assets and liabilities which are measured at amortised cost for which fair values are disclosed	Notes	Level 1	Level 2	Level 3	Total
At 31 March 2019					
Financial liabilities					
Borrowings	12	-	-	2,769.19	2,769.19
Total financial liabilities		-	-	2,769.19	2,769.19

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. However, the Company does not have any financial instruments that are measured using Level 1 inputs.

Level 2: The fair value of derivatives is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Fair value of financials assets and liabilities measured at amortised cost

The carrying amounts of all financial assets and liabilities except for borrowings are a reasonable approximation of their fair values.

The fair value of borrowings are based on discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)****26 Financial risk management**

The Company's activities exposes it to market risk, liquidity risk and credit risk. The operative management of the treasury activities of the Company is responsible for managing the financial risk position and maintaining adequate liquidity. The financial risks are reviewed and monitored on a regular basis.

(A) Credit risk

Credit risk mainly arises from cash and cash equivalents, deposits with banks as well as security deposits. The maximum exposure arising from these financial assets is their carrying value as disclosed in the balance sheet.

(i) Credit risk management

For banks and financial institutions, only high rated banks are accepted and hence, these are subject to low credit risk with risk of default being negligible. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets. Further, the Company has sales on one-off basis, which are made solely to its related parties. As such, it does not bear any credit risk with respect to receivables, if any.

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. The Company obtains necessary funds mainly through loans from its parent company i.e. Sharp Corporation, Japan and fellow subsidiaries. The management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

(i) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity group based on their contractual maturities.

31 March 2020	Less than 1 year	1-3 years
Borrowings	2,284.11	1,940.00
Employee benefits payable	52.73	-
Trade payables	68.16	-
Other financial liabilities	16.79	-
Total	2,421.79	1,940.00

31 March 2019	Less than 1 year	1-3 years
Borrowings	1,884.11	970.00
Employee benefits payable	51.92	-
Trade payables	79.55	-
Other financial liabilities	4.85	-
Total	2,020.43	970.00

The amounts disclosed in the tables above are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)****(C) Market risk****(i) Foreign currency risk and exposure**

The Company operates internationally context where transactions are conducted in currencies different from the Indian Rupees (INR). This exposes the Company to risks arising from exchange rates fluctuations. For this purpose, the Company has an exchange rate risk management policy which aims to neutralise the possible negative effects of the changes in exchange rates on Company cash-flows. The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to Japanese Yen. However, due to minimal operations, the gross exposure is not very significant.

(ii) Interest rate risk exposure :

The Company has availed fixed - rate borrowings and hence is not exposed to any interest rate risk.

27 Capital Management**Risk management**

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or sell assets to reduce debt.

Refer Note 32 on Going Concern.

There was no production of LED TVs from April, 2015 (except in August, 2015) and of Air Conditioners since June, 2015, in the absence of any orders.

As at 31 March 2020, the Company has received a support letter from Sharp Corporation, Japan for financial and operational support until 31 March 2021. Sharp Corporation, Japan is a group company of Hon Hai/Foxconn Group, one of the world's largest contract electronics manufacturer information technology company in terms of revenue.

The Company has also received a letter from the parent company on the potential actions that the Group is planning to take for revival of the business which are expected to be finalized by September 30, 2020.

Based on this continued support from the holding company, the management is of the opinion that the Company will be able to continue as a going concern.

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)****33 Impact of COVID-19**

The COVID-19 outbreak has affected countries across the globe. There are several measures taken by governments of various countries to contain the spread of the virus. These measures include imposing lock-downs, travel bans and other measures that have affected the regular business operations. The Company has not had any manufacturing operations during the current year. As such, the Company has had no significant impact of COVID-19. The Management believes that it has considered all the possible impact of the known events arising from COVID-19 pandemic in the preparation of the financial statements.

However, given the uncertainties around its impact on future global economic activity, the impact on the subsequent events in terms of actions of revival of business is dependent on the circumstances as they evolve.
